Dedication

DR. MARY SUTTON

For the past fifty years you have given yourself in faithful service to students and faculty at this college as teacher, friend, and Christian example.

In recognition of this you were awarded this June, the degree, Doctor of Letters, by this college.

PROFESSOR SARAH McCRACKEN

Since your coming to us as instructor of French, you have proven yourself to be an instructor in the Christian way of life as well.

We feel deep regret that illness has forced you to leave your classroom, but your influence shall long remain with us.

As sisters, both well-loved language professors, shining Christian examples, and faithful friends to students over the years, you are well deserving of our admiration and gratitude, which we extend to you by dedicating the 1961 L'AMI to you,

PROFESSOR SARAH McCRACKEN

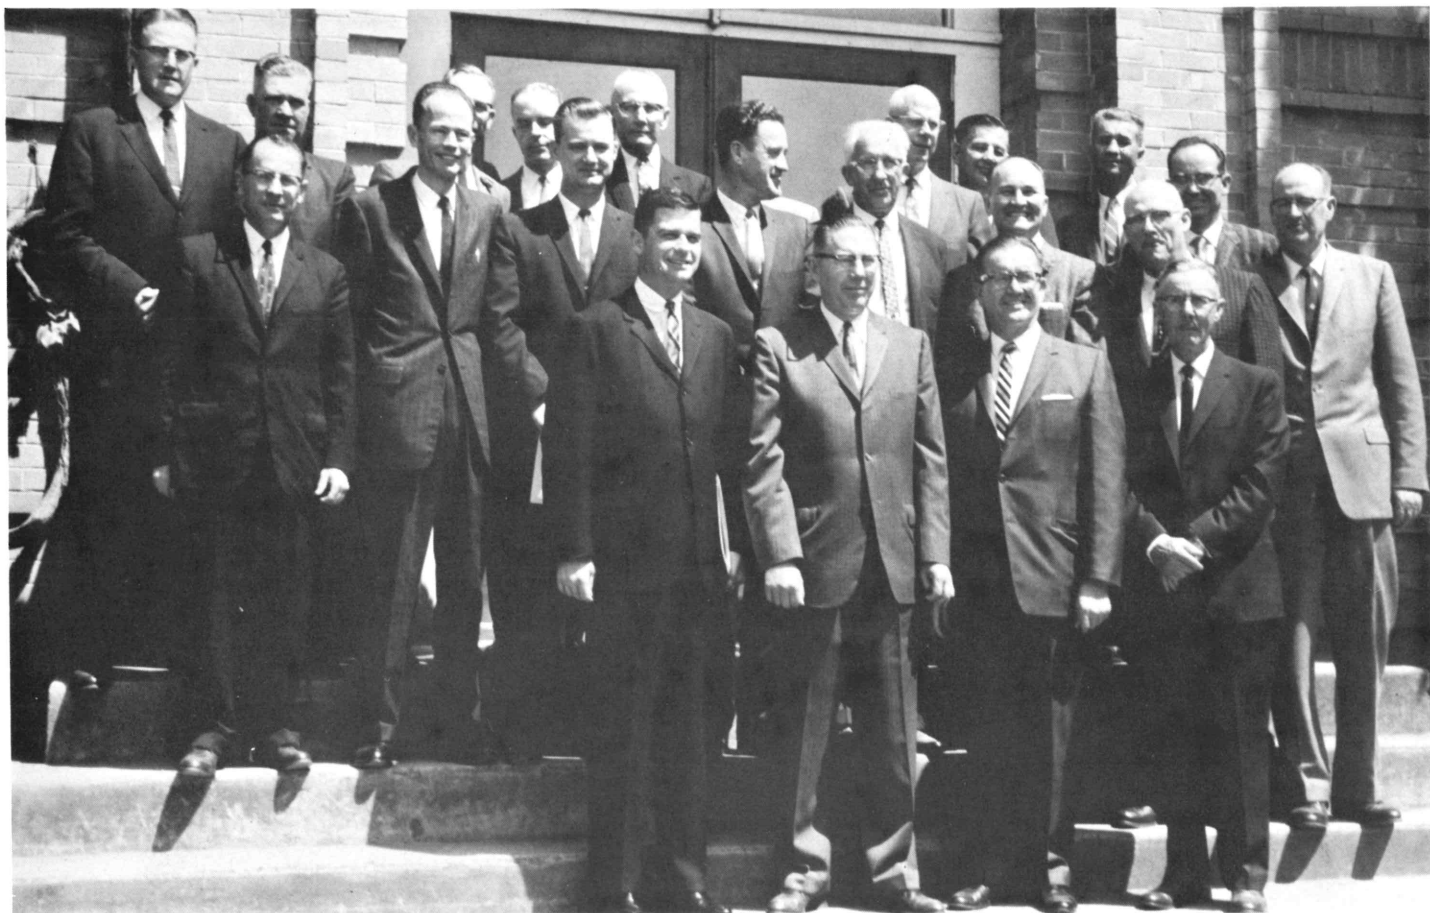

and

DOCTOR MARY C. SUTTON

Administration

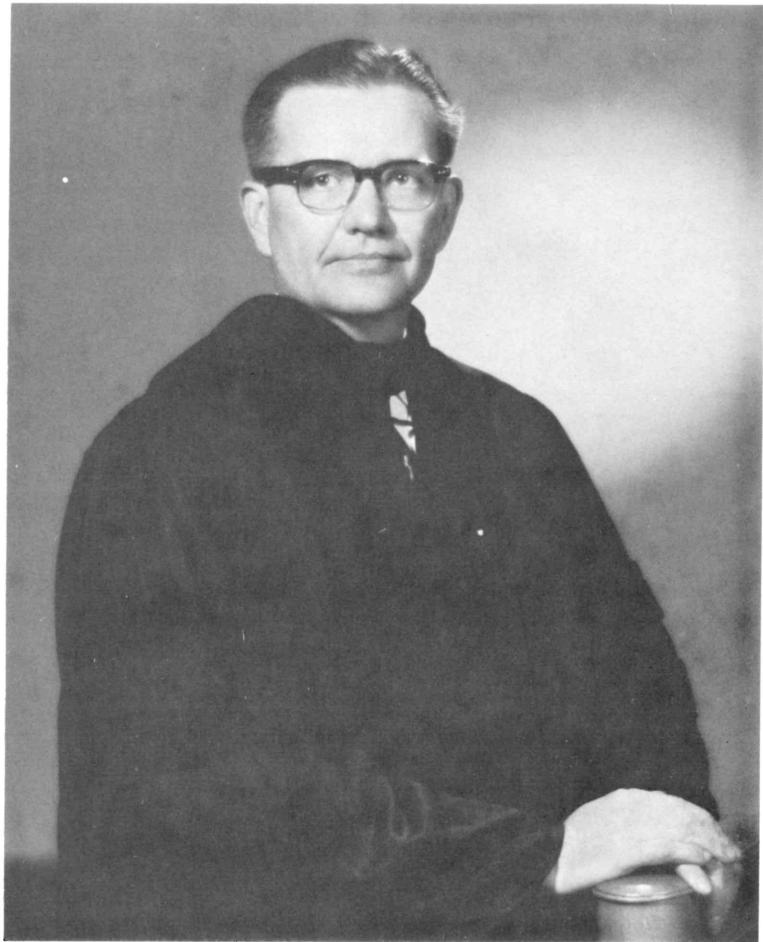

"We are
labourers
together with
God; ye are God's
husbandry, ye are
God's Building."

VISIONS AND PLANS

The development leading toward a major building program at George Fox has gone on apace for a full eight years. It has necessitated serious research on the nature and program of the college itself, our major fields of study, the possible size of the institution.

Underlying all of our activity is the position that as a Christian college we shall stay a liberal arts undergraduate college. We plan to exploit the marvelous campus which is ours, making it serve us artistically and aesthetically. Buildings are to be built fire-proof and of the most modern construction, for economy, usefulness, and beauty. A college is not to wait on the general approval of the majority, but it should be far in the vanguard in architectural planning and method, as well as in educational procedures.

As I write these lines, we are ready to proceed on advertising for bids on at least \$800,000 worth of construction--the greatest single program in the history of George Fox. We thank God for the honor of serving our alma mater in these momentous days.

***Kenneth
Williams

Dean
of
Students***

DIVINE IMPERATIVE

God has a plan and a purpose for each life, but none of us is forced into following that plan. God's plan is a divine imperative which operates in the life of each who follows Him. If we follow our own plan we are compelled by a worldly, selfish imperative.

Young people choose between the human and divine imperative early in life. College is the final testing ground as to which of these imperatives is to be followed in individual lives. It is a thrilling experience to see young people as they journey through college lose themselves in the compelling force of the call of Jesus Christ and bring every facet of their existence in line with His will. Then it is that the divine imperative in their lives in college, and for the future, is to put forth whole-hearted effort to be the best they can in every area of living that they may reach the "stature of the fullness of Christ."

*Harvey
Campbell*

Dean of Administration

"GUIDE LINES"

The College plans to increase its facilities by adding to its campus in remodeling, additions to present building, or the building of new structures. Such buildings require planning, blue prints, and specifications.

Where does this process start? An idea from the master planner takes shape on paper with the aid of a specialist. This in turn is "copied" as a blue print by a workman with another skill. Next the blue prints go to the builder as a "guide" in the building of a beautiful building.

There are many kinds of lines on a blue print, but each line or numeral has a function in the completed construction. What kind of a "line" is each individual in this college making? Will the line be a satisfactory guide for building the temples of the Kingdom?

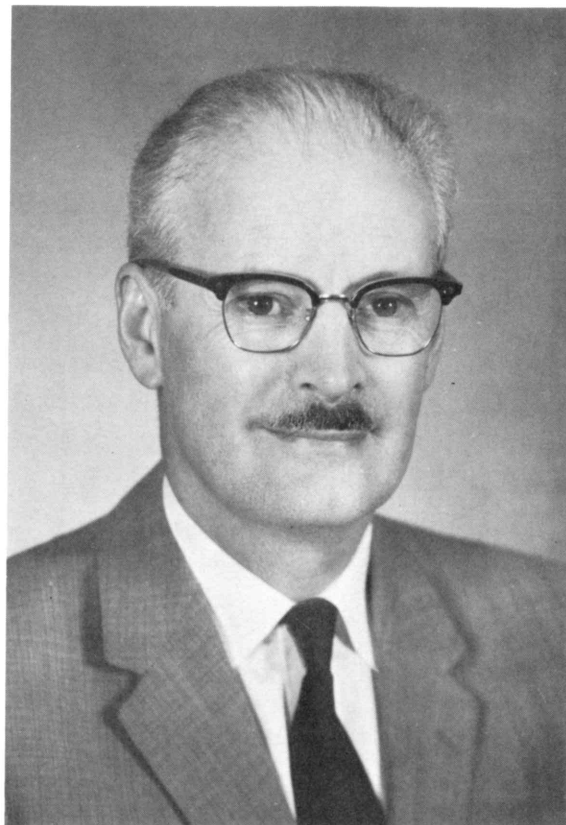

"He that takes truth for his guide, and duty for his end, may safely trust to God's providence to lead him aright."

--Pascal

*Dr.
Philip
Clapp
Dean of Faculty*

The position of Dean of Faculty was created this year in response to the recommendations of the Northwest Association that additional manpower be allocated to the many administrative tasks involved in operating a college. The filling of the position by a part-time person has been somewhat of an innovation, but with the coming of a full-time person to this position in the coming year, an increase of efficiency can be expected.

Much of the year's activity has been devoted to faculty committee work, in which the continual task of shaping college policy for the present and the future is performed. Problems have been considered, solutions proposed, and recommendations made, upon which the entire faculty has acted in its regular sessions. They have generally been willing to express their viewpoints, and business has gone forward without delay.

In Appreciation

The students of George Fox are very grateful for the Shambaugh's gift of \$250,000 which they have given toward the building of the new library, which will be named in their honor.

We are also grateful for the gift of the house and property given by the Isaac Smiths to the College. The ideal location of this property which adjoins the campus, is a real asset.

As students we can never repay materially the investments which the Smiths and Shambaughs, as well as others, have made in our lives. It is our earnest prayer that these investments may be repaid many times by the lives of students who have learned to serve Christ more effectively, because they attend George Fox College.

Juniors

JUNIOR CLASS OFFICERS

Left to Right: Treasurer, Marilyn Richey; President, Roy Crow; Vice President, Penny Jackson; Secretary, Ruthellen Hinshaw.

The junior class, traditionally in charge of money-making activities on campus, operated the Junior Store, and was the first to man the new soda fountain. The class also took pride in the election Shirley Pierce as May Queen, and the election of its president, Roy Crow, as the ASGFC prexy for the coming year.

Football

This season was a very successful one for the Quakers who ended the regular season with a 4-3 win-loss record and then traveled to Los Angeles to play in a post-season game in the Crusader Bowl against Los Angeles Pacific College. Although the GF squad lost, they showed plenty of fine team spirit and desire to win.

This game brought to a close the last season of football at George Fox for Coach Carpenter who led the team to the first winning season for the Blue & Gold team since 1951, and four outstanding seniors: Gil Rinard, Howard Crow, John Johnson, and Chuck Newkirk. Each of these players showed fine leadership, sportsmanship, all-around offensive and defensive play, team spirit, and were a spiritual inspiration to the rest of the squad.

Although these men were a great asset to the team, others of the squad deserve much praise, as they worked long and hard every day to develop a winning team.

Co-Captains Gil Rinard & Howard Crow look at plays with Coach Carpenter.

Coaches: Ass't. Jim Kennison, Head Carl Carpenter, & Line Wendell Scott discuss plays for the season.

THE WINNING TEAM

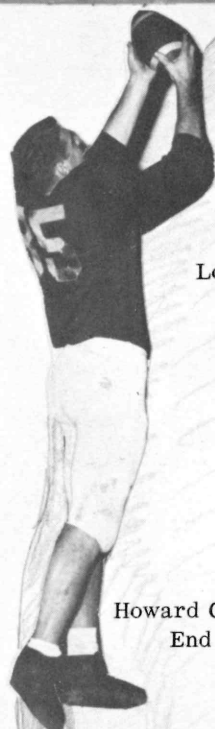

First Row, left to right: Statistician Keith Carpenter, Chuck Newkirk, Cliff Davis, Stan Stokke, John Johnson, Lowayne Brewer, Norman Yoder, Ron Gregory, Howard Morse, & Manager Fred Radford. Second Row: Line Coach Wendell Scott, Phil Zoller, Harvey Bloomer, Toby Clark, Co-Captain Gil Rinard, Loren Hinkle, Lee Cook, Lloyd Pruitt, Ken Gidlof, Ass't. Coach Jim Kennison, & Head Coach Carl Carpenter. Third Row: Ken Kumasawa, Earl Cooper, Gary Tish, Bob Davis, Mike Kell, Co-Captain Howard Crow, Steve Wilhite, Fred Gosnell, Ed Cammack, Bayard Stone, & Dean Williams.

QUAKERS SWAMP OCE JV'S

The Quakers began the season by rolling over OCE JV's 32-6. The Blue & Gold took the opening kick-off and marched 83 yards in ten plays for the first touchdown of the season with Gidlof going over on a one yard quarterback sneak. Throughout the remainder of the game the Foxmen dominated the Wolves. Gidlof averaged .538 in passing percentage and Wilhite 5.6 yards per carry.

In the most exciting game of the season the squad squeaked by Pacific University JV's by 21-20. Throughout the game the score seesawed with the Pacific squad drawing first blood. Then the Quakers scored to tie the game at the end of the first quarter. In the second quarter PU scored and then GF made a TD with Stokke breaking through the center on the first play from scrimmage and sprinting 63 yards. After tying the score again the Blue & Gold hit paydirt for the third time and Stokke making his third conversion. Then PU scored again but failed on their conversion.

GFC EDGES PU JV'S

After winning the first two games of the season the Blue and Gold team traveled to McMinnville where they lost to the powerful Wildcats of Linfield. The GF men were plagued by fumbles and interceptions most of the rainy evening and finding themselves on the short end of the scoreboard against the Linfield JV's 0-25.

GFC LOSES IN THRILLER

Playing before their first home crowd of the season the Foxmen lost a close game to Lewis and Clark JV's 14-21. The GF men drew first blood in scoring and then the Portland team tied and then scored again to take the lead. The Quakers then stormed back to tie the score but in the closing seconds of the game L. & C. made the last TD.

The Quakers won their third game of the season by defeating the favored Lower Columbia JC team by a margin of 19-6. This was the first victory that George Fox College has had over a varsity team in a number of years.

Although the Red Devils started strong by threatening the GFC goal line once in the first quarter and scoring in the second quarter, the Foxmen led by Gidlof's passing to Kell and Stokke for two counters and Wilhite plunging over for another TD completely overwhelmed their opponents from Longview, Washington.

GF VICTORS IN HOMECOMING

After a scoreless first period the Foxmen rocketed ahead of the OCE Reserves in the second quarter by scoring three touchdowns. While the Wolves of OCE made one TD in the third period the Old Gold and Navy Blue crossed over the end zone strip two more times. In the final quarter the Quakers hit paydirt again making the final score 36-7. The GFC men who did the scoring were the following: Johnson on a one yard plunge, Clark going over from the six yard line and the five yard line, Stokke on a yard plunge, Gidlof passing 14 yards to Crow, and Bloomer going into the end zone on a four yard plunge.

RANGERS DEFEAT QUAKERS

In the last regular game of the season the Rangers of Olympia JC proved to be too much for the Quakers to handle. Highlights of the game came in the second period when Gidlof passed the ball for 15 yards to Crow and Johnson going into the end zone in the final period. The Rangers from Olympia, Washington gave the Foxmen their third loss of the season by the score of 12-46.

BLUE & GOLD LOSE IN BOWL GAME

For the second time in the year the Blue and Gold were shut out of the scoring column in losing to Los Angeles Pacific College in the Crusader Bowl game 0-28. Although the GF squad made several long drives they lost the ball on fumbles and interceptions. The Quakers battled to a 0-0 deadlock at halftime. In the third period the Panthers finally broke through the Foxmen defense to score. After this first TD the LAPC team scored several times in the last period. Stokke led the offense with a 8.2 yards per carry. Wilhite helped to open holes in the line. Quarterback Brewer, end Howard Crow, and lineman Rinard were chosen as the outstanding players of the game.

Intermission

Basketball

This year the Quakers had a topsy-turvey beginning by winning and losing every other game. It wasn't until the eighth game of the season against the league leading Multnomah Bible team before the Foxmen snapped out of this habit. After winning two games in a row, the hoopmen then lost three consecutively games. But then the Navy Blue team won the remaining games of the season except one against NCC.

The team ended in a tie for third place with Multnomah Bible with a 8-4 record behind the league-leaders Concordia and NCC each with a 10-2 record in the Willamette Christian College Conference. In the conference the Foxmen placed fourth in team offense, field goal percentage, and rebounds, second in team defense, and first in free throw percentage and fewest personal fouls committed. In the individual statistics for the conference, Bob Poet placed ninth in scoring by making an average of 13.9 points per game, Howard Crow was in the number six spot with an average of ten rebounds a game. Bob Poet also was number ten in field goal percentage with .385 and second in free throw percentage of .831, and Ron Willcuts right behind in third place in the free throw percentage with .717.

The highlight of the season came in the tournament when the hoopmen knocked off Cascade in the first round, easing by the Cavaliers of Concordia, who had previously beaten the Quakers in two league games, in the second round, and edging NCC, who had also won two games in league action from the Foxmen, in the final game. The Quakers had to come from behind in both the Concordia and NCC games. In the early stages of the championship game the "white ghosts" were behind by 17 points, but closed the gap to eight points at the half. The Quakers were in command the entire second half by attaining the lead until the last minute of play when the Crusaders pulled within three points of the home team, before the cagers scored some quick baskets to win the championship game and retiring the trophy which the Blue and Gold team had won in '59 and '60. Scoring leaders for the team were Ron Willcuts with 22 points, Howard Crow with 13 points and 24 rebounds, followed by Bob Poet and Earl Cooper, each with ten points.

In season statistics the team ranked number ten in team defense (excluding tournament games) with an average of 59.0 points per game in small colleges in the National Collegiate Athletic Bureau. In the individual stats, Bob Poet scored the most points in a single game with 26. He also tied with the most field goals scored in a game with Howard Crow, each with nine. Howard also was the highest rebounder in a single game with 24, and Ron Willcuts scored the most free throws in a game with twelve.

SCORERS & TIMERS

For the past three years Keith Carpenter has been the head statistician for football, basketball, and track. He has performed an outstanding job in being the official scorekeeper for the tournament. During the past basketball season he has filled the job of head statsman for the Willamette Christian College Conference. Others who have helped in the athletic program are Joyce LeBaron as ass't. statistician for football and Margaret Cammack and Karen Brown as scoretimers for basketball.

Rain, rain, and more rain. This kind of weather was so bad that there was only one game played in the month of April. The weekend following May Day the sun reappeared for a few weeks to allow the Foxmen to play some games. The Quakers had a rough season by losing three games by only one run in the last inning. Errors cost the diamond men several of the games. However, the team, led by captain Lowayne Brewer, didn't lose their baseball spirit of teamwork. The infield was one of the best that GFC has had for the past couple of years and scoring power was provided with several of the fellows each hitting many home runs.

Quakers Break World Record

Record Breakers

'Bowlers' Set Record

It was just a question of who and when, and George Fox College of Newberg provided the answer Saturday when seven students rolled a bowling ball from the Newberg City Hall to McMinnville and back — a distance of 30 miles — in five hours and three minutes for the new world's record.

The old record was set by seven Claremont College, Calif., students a week ago. This was understandable, in that it was the first time the event had been staged. For those who care the mark was seven hours and 35 minutes.

But the George Fox record might prove hard to beat. The team was trained for the event by Jim Kennison, assistant director of athletics, and thus was no extra-curricular, haphazard effort.

Members of the team: Lowayne Brewer, Bob Brown, Bob Davis, Gary Brown, Harvey Bloomer, Steve Wilhite, and Lloyd Pruitt.

Coach Kennison reported there wasn't a gutter ball thrown in all 30 miles.

Sitting, left to right: Lloyd Pruitt, Bob Davis. Standing: Harvey Bloomer, Bob Brown, Gary Brown, Lowayne Brewer, Steve Wilhite.
